### About Me

I am seeking an opportunity to do an MSc in International Accounting and Finance at London South Bank University which will help me to maximize my knowledge and help me to develop a successful career in the banking sector as well as the stock exchange. As an energetic, dynamic, self-motivated and passionate individual, I want to contribute to the field of accounting and finance through research and practical application.

### Qualification Highlights

- Highly efficient to work under pressure
- Ability to manage multiple tasks at hand and deliver tasks within deadline
- Enthusiastic about learning new things
